...GET YOUR BURGER KICKS AT BRGR.CO

Simple burgers cooked to perfection, is the mantra at chic new Soho eaterie BRGR.CO. After a summer of pop-ups each vying to outdo the next, this back-to-basics restaurant will focus on simplicity and quality, serving expertly prepared food using the finest cuts of 28-day aged beef from the Duke of Buccleuch Estate in Scotland. The menu is straightforward, offering three choices of burger – the 4oz, 6oz or 8oz – and a selection of traditional American-inspired sides, milkshakes and desserts to complete your meal.
